DUNDEE DIRECTORY,

1890-91.

New High School for Girls, Euclid Crescent.

GENERAL NOTICE.

THERE is much reason for gratification with the continued prosperity of the city. All our industrial branches have received a stimulus which has been the means of putting them on a healthy footing. Manufacturers of textile goods have had their hands well filled throughout the year; new machinery has been put in motion; unwonted briskness has sprung up in the iron trade; shipping and shipbuilding has been carried out on an extensive scale; and handicraftsmen and skilled workers have had no reason to complain of unremunerative outlets for their abilities. As an outcome of this prosperity wages have increased, and there is consequently less distress and privation than marked previous years.

In the external features of the city, if there has been any change, it is still towards improvement. Hermon Hill, which was opened for

building purposes about a year ago, has now been filled up with fine tenements. In all parts of the town domestic architecture, in the shape of superior tenements, continues to spread. Perhaps the most striking of this class of property is that erected for Mr Gourlay in Ferry Road. These houses, which have been built for the accommodation of working men, are perhaps the best of their kind, and possess all the modern equipments which make a home comfortable and healthy. In the same locality a number of other fine dwelling-houses have been constructed, and they enhance the district very much. In the Old Asylum grounds new tenements of a similar type have been completed, and it is expected that other houses will soon be placed on the vacant sites. In the west end of Dundee and in the Lochee suburb building operations have been remarkably active. In cottage architecture many specimens have come into existence during the year. This is particularly noticeable at Maryfield, where several properties of this style have just been finished. Albany Terrace, one of the fine residential thoroughfares near Barrack Park, has been fittingly terminated by the erection at west end of a handsome villa of ornate proportions. The cottages at Inverary Terrace, too, have been completed, and the north line of that street is now almost wholly filled in.

With reference to public buildings, much has been done throughout the year. The Hospital at King's Cross, a useful institution, built to cope with an outbreak of infectious distempers, was formally opened on 11th December. It is expected that a Small-pox Hospital will soon be built adjacent to the new Hospital, and the old Newtyle Railway strip will be utilised as an adjunct to both institutions. The Art Galleries in Albert Square, which were completed last autumn, were opened by the Marquis of Lorne on 26th October last, the event being celebrated by holding an Art Exhibition on a large scale. The handsome buildings which form the new Caledonian Station at South Union Street are now occupied; the old station is being cleared away, and public traffic, which has been hampered for a time, will now proceed with customary smoothness. The Station is a credit to the Company and an ornament to the city.

Amongst other buildings of a public nature, the New School for the higher class education of Girls comes prominently to the front. This institution, which is built of light sandstone, has frontages to Euclid Street and Euclid Crescent. It is a splendid edifice, of a style of architecture highly ornate without being florid. The internal arrangements are all that could be desired in an educational establishment of the kind.

Other buildings of a public character are in course of erection.

The new Fish Market at Craig Street is being rapidly pushed forward. The Market is intended to supply the place of the old market at west side of Greenmarket and Butcher Row, which will soon be cleared away. At Clepington a new Foundry is about finished for Messrs Thomson, Son, & Co., the proprietors of the time-honoured Douglas Foundry in Blinshall Street. The Foundry will give ample accommodation for carrying on an extensive business, and the new Railway, which adjoins, will give every facility for transit of heavy machinery.

The ensuing twelvemonths will see the advent of a number of new buildings of importance. The taste for gymnastics has of late developed so much in Dundee that it has been found desirable to

New Public Gymnasium, Ward Road.

establish a Gymnasium in the city. The usefulness of such an institution has been fully recognized, and, the project having been heartily entered into by our leading public men, the sum (£2,500) required for its erection and fitting up was soon subscribed. A site has been procured on south side of Ward Road, opposite Rattray Street. The

front elevation, which will be of a bold and striking character, will look towards the main thoroughfare. The internal equipments will be commensurate with the times, and the most complete gymnastic apparatus will be introduced.

Another scheme affecting the welfare of the general public will be the erection of Branch Baths in Scouringburn—this being the fore-runner of a scheme, to be afterwards matured, for having similar Baths in different parts of the city. The new Baths, which are to be erected on the vacant sites in Scouringburn, will have frontages to Guthrie Street and Horsewater Wynd. The carrying out of this scheme *in extenso* is calculated, from a sanitary point of view, to have a beneficial influence over the health of the community.

It is also proposed in the course of the year to erect a large Public School at Liff Road, Lochee; and two new Churches are about to be built in the vicinity of that place, a site for one of them having already been obtained at West side of Union Place, with a frontage to Logie Street, almost opposite Logie Burying-Ground.

The lease of Barrack Park having expired, negotiations are pending for its purchase for the use of the public. It is expected that these negotiations will soon be completed, and that the Park will become the property of the city for all time coming. A new Park, it is stated, is about to be gifted to the city by a private citizen; and the ground lying between north side of Balgay Hill and Ancrum Road is pointed out as being the site of the proposed pleasure ground.

The suburban villages have each made considerable progress of late. The most conspicuous schemes carried out during the year has been the introduction of a Public Water Supply for Tayport and Monifieth, and the Public Lighting of Downfield with Gas. At Wormit extensive feuing is going on, and many pretty cottages and villas have just been built.

Altogether the past year has been fruitful of good work, and it is to be hoped that the same may characterise the year that is to ensue.

INLAND RATES OF POSTAGE—LETTERS.*

The rates of postage, when prepaid, are as follows, viz.—

For a letter not above 1 oz.	-	-	-	1d.
„ above 1 oz. but not above 2 oz.	-	-	-	1½d.
„ „ 2 oz.	„	4 oz.	-	2d.
„ „ 4 oz.	„	6 oz.	-	2½d.
„ „ 6 oz.	„	8 oz.	-	3d.
„ „ 8 oz.	„	10 oz.	-	3½d.
„ „ 10 oz.	„	12 oz.	-	4d.
„ „ 12 oz.	„	14 oz.	-	4½d.

and so on at the rate of ½d for every additional 2 oz.

A letter posted unpaid is chargeable on delivery with double postage; and a letter posted insufficiently prepaid is chargeable with double the deficiency.

No letter may be above 18 inches in length, 9 inches in width, or 6 inches in depth, unless it be sent to or from one of the Government Offices.

NEWSPAPERS.

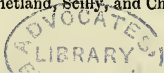

The prepaid postage on every registered inland newspaper is one halfpenny, but a packet, containing two or more registered newspapers, is not liable to a higher rate than the book-postage upon it would be. For each transmission a fresh postage must be paid.

A newspaper posted unpaid, or a packet of newspapers posted unpaid, or insufficiently paid, is treated as an unpaid or insufficiently paid book packet of the same weight (see Book Post).

Any publication fulfilling the subjoined conditions can, upon payment of an annual fee of 5s, be registered at the General Post Office for circulation within the United Kingdom as a newspaper, as also for transmission to places abroad. Unregistered, a newspaper is liable to the book rate of postage.

- a. The publication must consist wholly or in great part of political or other news, or of articles relating thereto, or to other current topics, with or without advertisements.
- b. It must be printed and published in the United Kingdom; and in numbers at intervals of not more than seven days.
- c. The full title and date of publication must be printed at the top of the first page, and the whole or part of the title, and the date, at the top of every subsequent page. This regulation applies also to “Tables of Contents,” and “Indices.”

* Inland letters are those which pass between places in the United Kingdom, including the Isle of Man, the Orkney, Shetland, Scilly, and Channel Islands.

d. A supplement must consist wholly or in great part of matter like that of a newspaper, or of advertisements, printed on a sheet or sheets, or on a piece or pieces of paper, unstitched; or wholly or in part of engravings, prints, or lithographs illustrative of articles in the paper. It must in every case be published with the paper, and have its title and date printed at the top of every page; or, if it consists of engravings, prints, or lithographs, at the top of every sheet or side.

A newspaper, if posted in a cover, must have such cover open at both ends, so as to admit of easy inspection.

The title of every newspaper must be exposed to view.

A newspaper or packet of newspapers which contains any enclosure, except supplements (unless it be such as might be sent at the book rate of postage, and the entire packet be sufficiently prepaid as a book packet), is liable, if under 8 oz. in weight, to be charged as a letter packet; and if over 8 oz. it is transferred to the Parcel Post, and charged a fine of 1d, in addition to any deficient parcel postage.

A newspaper which has anything written on it, or its cover, of the nature of a letter, is liable to postage as an unpaid or insufficiently paid letter. The cover must not bear anything besides the title of the newspaper and the name and address of the sender and of the addressee. It is recommended that the address be written on exposed parts of the newspapers themselves as well as on the covers.

A packet of newspapers must not weigh above 14 lbs., or exceed two feet in length, one foot in width, or one in depth.

Newspaper wrappers are sold at the following prices:—Bearing halfpenny stamp, at the rate of 7 for 4d or £1 2s 10d per parcel of 480; bearing penny stamp, at the rate of 8 for 8½d or £1 1s 3d per parcel of 240.

BOOK POST.

The prepaid postage is one halfpenny for every 2 oz. or part of that weight. If posted unpaid the charge is double that amount; and if posted partially paid, double the deficiency.

The following may be sent by book post:—Books and other literary publications, photographs, prints, and drawings on paper; and, generally, any paper or other substance in ordinary use for printing or writing upon, whether plain or not, provided that it bear no letter or communication of the nature of a letter,* except a "circular" (as defined below); and a book packet may also contain anything necessary for the safe transmission of any of the before-mentioned articles, and legitimate binding or mounting (not consisting of glass or any brittle substance) when transmitted in the same packet with the article to which it belongs.

Circulars—*i.e.*, letters which, from internal evidence, appear to be intended for transmission in identical terms to several persons, and the whole or the greater part of which is produced by means of ordinary type, engraving, lithography, or other mechanical process—may also be sent by book post.

Articles sent by book-post must not be fastened so that they cannot be opened, and the only covers admissible are such as are entirely open at both ends, so as to admit of the contents being easily withdrawn for examination. A book-packet may, however, be tied at the ends with string.†

No book-packet may be above 5 lbs. in weight, 18 inches in length, 9 in width, or 6 in depth, unless it be sent to or from a Government office.

* Entries merely stating who sends the book, &c., or to whom it is given, are not regarded as a letter.

† In order to secure the return of book-packets which cannot be delivered, the names and addresses of the senders should be printed or written *outside*; thus, "From _____ of _____."

In the case of an unusually heavy influx of letters, books, &c., book-packets (and also post cards) may be kept back till next despatch.

A book packet, in the case of which any of the above rules is infringed, is chargeable, if under 8 oz. in weight, as a letter packet, and if over 8 oz. it is transferred to the Parcel Post and charged a fine of 1d, in addition to any deficient parcel postage.

POST CARDS.

Official Post Cards, impressed with a halfpenny stamp,—double or reply Post Cards impressed with a halfpenny stamp on each portion of them,—and private Cards impressed at the Office of Inland Revenue with halfpenny stamps,—may be transmitted between places in the United Kingdom with letters printed or written upon the back. Adhesive stamps are not allowed.

The front (or stamped) side is for the address only, in addition to the words printed thereon. Nothing else must be written, printed, or otherwise impressed on it or the stamp. On the reverse side any communication, whether of the nature of a letter or otherwise, may be written or printed. Nothing whatever may be attached, except an adhesive stamp for a late fee; nor may the card be folded, cut, or otherwise altered. If any one of these rules be infringed, the card will be charged 1d on delivery.

No card other than one of those issued by the Government, or a private card impressed with a halfpenny stamp at the Office of the Inland Revenue, will pass under a halfpenny stamp, if it bear on it a communication of the nature of a letter (unless it be a circular letter as defined above).

Inland Post Cards are sold at the following rates:—

Stout Cards 10 for 6d, or 5s per parcel of 100.

Thin Cards 10 for 5½d, or 11s per parcel of 240.

Reply Stout Cards 10 for 1s, or 5s per parcel of 50.

Reply Thin Cards 10 for 11d, or 11s per parcel of 120.

INLAND PATTERN AND SAMPLE POST.

Trade Patterns and Samples of Merchandise may be sent between places in the United Kingdom at the following rates of postage:—

For a packet weighing not more than 4 oz. - - - - - 1d.

“ “ more than 4 oz. but not more than 6 oz. 1½d.

“ “ 6 oz. “ “ 8 oz. 2d.

No packet must exceed 8 oz. in weight. Limits of dimensions—12 in. by 8 in. by 4 in.

This post is absolutely restricted to *bona fide* trade Patterns and Samples of Merchandise. No article sent for sale or in execution of an order, or sent from a private individual, will be admissible, and if any such be posted at the Pattern rate it will be charged with double the deficient postage at the letter rate, together with a fine of 6d.

Patterns and Samples must be sent in wrappers (marked Pattern Post or Sample Post) entirely open at both ends, so that they can be easily withdrawn for examination; but Samples of seeds, flour, drugs, &c., may be enclosed in boxes (but in such a way as to admit of easy examination), or in bags tied at the neck. Closed bags, even if transparent, will not be allowed.

It is obligatory that the name, trade, and address of the sender be in all cases printed on the outside of the wrapper above the address.

Patterns may be returned (at Pattern rates) to the Trader or Firm by whom they were originally sent. They may be returned in the original wrapper, the written address being erased and the words “Returned Patterns” being prefixed to the printed address of the Trader; or they may be returned in a fresh wrapper, with printed heading, &c.

The number, price, and private business marks may (as well as the address) be in writing, but no other writing will be allowed.

No glass bottle, glass in any form, liquid, or greasy matter can be sent.

INLAND PARCEL POST.

Parcels *not exceeding 11 lbs. in weight* are received at any Post Office for transmission between places in the United Kingdom.

In order that a packet may go by Parcel Post, it must be tendered for transmission as a parcel, and should bear the words "Parcel Post,"—which should be clearly written in the left-hand top corner.

The size allowed for an Inland Postal Parcel is—

Greatest length,	-	-	-	3 ft. 6 in.
Greatest length and girth combined,	-	-	-	6 ft. 0 in.

The rates of Postage are—for a Parcel—

Not exceeding 1 lb. in weight,	-	-	-	3d.
Exceeding 1 lb. in weight and not exceeding 2 lbs.,	-	-	-	4½d.
" 2 lbs.	"	"	"	6d.
" 3 lbs.	"	"	"	7½d.
" 4 lbs.	"	"	"	9d.
" 5 lbs.	"	"	"	10½d.
" 6 lbs.	"	"	"	1s. 0d.
" 7 lbs.	"	"	"	1s. 1½d.
" 8 lbs.	"	"	"	1s. 3d.
" 9 lbs.	"	"	"	1s. 4½d.
" 10 lbs.	"	"	"	1s. 6d.

Postage stamps to the required amount must be affixed by the sender, and parcels must not be posted in a letter-box, but must be taken into a Post Office and handed over the counter.

Parcels containing fish, game, meat, eggs, &c., or razors, scissors, needles, knives, forks, or other sharp instruments, are not accepted unless securely packed so as to guard against risk of injury to other parcels. Liquids or semi-liquids, such as jellies, pickles, paint, varnish, &c., are not accepted unless in bottles or cans securely stoppered; nor powders, unless so packed that they cannot escape in transmission. Bottles or glass in any form can be accepted only when so packed as to be secure from breakage.

Parcels addressed to or sent from the Channel Islands are received under the above conditions and rates, but such parcels are liable to Customs examination at the port of arrival, and the sender is required to make a declaration of contents upon a special form provided for the purpose at the office where the parcel may be posted.

Parcels for the Isle of Man are treated in the same way as parcels for places in the United Kingdom generally. They are liable to examination by the officers of Customs; but the sender is not called upon to furnish a declaration of contents.

Parcels addressed to a Post Office to be called for, or to a person residing beyond the free postal delivery, are kept three weeks. At the end of one week, if the parcel bears on the outside the sender's name and address, a notice of the fact that the parcel has not been delivered is sent to him.

Parcels addressed to a Post Office "to be called for," are liable to a demurrage charge at the rate of 1d a day. No demurrage is charged on parcels addressed to persons outside the limits of free delivery, or to persons on board ship.

In order to facilitate the return of parcels which cannot be delivered, it is most desirable that the name and address of the sender should appear on the outside of every parcel.

Insurance and Compensation.

The Postmaster-General will (not in consequence of any legal liability, but voluntarily, and as an act of grace), subject to certain rules, give Compensation for the loss and damage of inland parcels according to the following scale:—

I. Where no Fee except postage is paid, the Postmaster-General will
 give compensation to an amount not exceeding £1

- II. Where in addition to the postage an Insurance Fee of 1d is paid, the Postmaster-General will give Compensation to an amount not exceeding..... £5
- III. Where in addition to the postage an Insurance Fee of 2d is paid, the Postmaster-General will give Compensation to an amount not exceeding..... £10

In no case will a larger amount of compensation than £10 be paid. The compensation given in case of damage will be in proportion to that which would have been given had the Parcel been lost.

REGISTRATION.

The fee for registering a letter, newspaper, or book-packet, is twopence, and this registration fee and the postage must be prepaid.

Every article presented for registration must be enclosed in a strong envelope, securely fastened. If the article contains money, it must, in order to gain the benefit of the guarantee described in the last paragraph under this heading, be enclosed in a Registered Letter Envelope sold by the Post Office; and if coins are sent, they must on no account be put in loose, but must be packed and enclosed in such a way as to move about as little as possible.

Every article to be registered must be given to an agent of the Post Office, and a receipt obtained for it; and it should on no account be dropped into a letter-box. If, contrary to this rule, an article marked "Registered" be dropped into a letter-box, it will, *if directed to any place in the United Kingdom*, be liable to a registration fee of 8d, instead of the ordinary fee of 2d.

The loss of a registered article (as it can be traced through its whole course) is a rare occurrence. Nevertheless large sums of money or other articles of great value should not be sent through the post, even if registered; as the machinery of the Department is not arranged with a view to such transmissions. If sent unregistered, valuable articles are exposed to risk; consequently Inland letters or packets which contain coin, watches, or jewellery, if posted without registration, are subjected to registration, and are charged on delivery with a fee of eightpence in addition to the ordinary postage. If they cannot be registered in time to be forwarded by the Mail for which they are posted, they are detained for the next despatch.

No Town Postman is allowed to take a letter to be registered; but Rural Postmen will take letters for registration on their outward and inward walks whenever it is practicable for them to do so.

The Postmaster-General will (not in consequence of any legal liability, but voluntarily, and as an act of grace), subject to certain rules, give Compensation for the Loss and Damage of Inland Registered Letters, and other Registered Postal Packets, according to the following scale, viz. :—

- I. Where no Fee except postage and the registration Fee is paid, the Postmaster-General will give Compensation to an amount not exceeding..... £5
- II. Where in addition to the postage and the registration fee an Insurance Fee of 2d is paid, the Postmaster-General will give Compensation to an amount not exceeding..... £10

In no case will a larger amount of compensation than £10 be paid, and the compensation given in case of damage will be in proportion to that which would have been given had the Letter been lost.

RE-DIRECTION.

Letters and Postal Packets are, when re-directed, liable to additional charge (at the prepaid rate) for each re-direction unless both the original and the second address are within the delivery of the same Post Office.

Notices of Removal and applications for letters to be re-directed must in all cases be duly signed by the person to whom the letters are addressed. Printed forms can be obtained from the local Postmaster.

POSTAL DIRECTORY.

A Postmaster is not bound to re-direct letters for a person temporarily leaving home, and not having a private bag or box, unless the house be left uninhabited.

SPOILT STAMPS.

Applications for allowance on spoilt, or unused, postage stamps, embossed envelopes, post-cards, or newspaper wrappers, which have not passed through the post, should be made at the Stamp Office.

FOREIGN AND COLONIAL LETTERS.

The rates of postage on letters for Foreign Countries and the Colonies will be found in the Table of Foreign and Colonial Postage.

Letters posted unpaid, or insufficiently paid, to any country where payment is compulsory, are returned to the writers.

Letters posted unpaid, or insufficiently paid, for Australia, New Zealand or Natal, are charged 6d each in addition to the deficient postage, and those to or from Cape Colony, Transvaal, and St Helena are charged with double the amount of the deficient postage.

Unpaid letters addressed to countries in the Postal Union are charged double the prepaid rate, and those partially prepaid are charged with double the deficiency.

No letter for a colony or foreign country may exceed 2 feet in length or 1 foot in width or depth.

FOREIGN AND COLONIAL NEWSPAPERS.

The rates of postage to Foreign countries and the Colonies on newspaper registered for transmission abroad will be found in the Table of Foreign and Colonial Postage. Each newspaper is liable to a separate rate of postage, whether sent singly or in a packet.

The conditions of Registration of Newspapers for transmission abroad are the same as those for inland transmission; excepting that for foreign transmission a Newspaper may be published at intervals of thirty-one days. Moreover, Prices Current and Market Reports (but not private price lists or trade catalogues) may be registered as Newspapers for foreign transmission provided that they be published at intervals not exceeding thirty-one days.

All publications registered for transmission abroad *must be posted within eight days from the date of publication*, including that day; and any newspaper posted more than eight days after the date of publication, as well as any unregistered publication, must be prepaid at the book rates of postage.

The collected numbers issued during the month of a weekly or fortnightly publication are not allowed to pass as a monthly publication.

FOREIGN AND COLONIAL BOOK POST.

Articles which may be sent to places abroad under the Book Post Regulation consist of two classes, as follows:—

- (a) "Commercial Papers," under which are comprised all papers or documents written or drawn wholly or partly by hand (except letters or communications in the nature of letters, or other papers or documents having the character of an actual and personal correspondence), documents of legal procedure, Deeds drawn up by public functionaries, copies of extracts from Deeds under private seal (and whether written or printed on stamped or unstamped paper), Way Bills, Bills of Lading, Invoices, and other documents of a mercantile character, documents of Insurance and other public companies, all kinds of manuscript music, the manuscript of books and other literary works, and other papers of a similar description.
- (b) "Printed Papers," including periodical works, books (stitched or bound pamphlets, sheets of music (printed), visiting cards, address cards, proof of printing (with or without the manuscript relating thereto), engravings, photographs (when not on glass or in frames containing glass), drawings,

pictures, papers impressed for the use of the blind or card-board drawing, models stamped in relief (except for Russia and Sweden), plans, maps, catalogues, prospectuses, announcements, and notices of various kinds, whether printed, engraved, lithographed or autographed, and in general all impressions or copies obtained upon paper, parchment, or card-board by means of printing, lithographing, autography, or any other mechanical process easy to recognize, except the copying press and type writer, and anything usually appurtenant to any of the before-mentioned articles in the way of binding, mounting, or otherwise, and anything convenient for their safe transmission by post which shall be contained in the same packet; also printed, engraved, or lithographed circulars, notwithstanding that such circulars may be letters or communications in the nature of a letter. Stamps for prepayment and all printed articles constituting the sign of monetary value are however excluded.

The two classes are subject to the same rates of postage, except that when addressed to countries in the Postal Union the minimum rate for Commercial Papers is $2\frac{1}{2}$ d in every case. If there be any mixture of the two in the same packet the whole packet is treated as Commercial Papers.

A Book Packet may be posted without a cover or in a cover open at both ends. It may be tied at the ends with string.

The limit of size for Packets addressed to countries of the Postal Union is 8 inches in length by 1 foot in width or depth; and for Packets addressed to other places abroad 2 feet in length by 1 foot in width or depth. The limits of weight are 4 lbs. for countries of the Postal Union; 3 lbs. for New South Wales, Queensland, and Fiji; and 5 lbs. in all other cases.

All Books and printed matter imported into the United States through the Post, however small the values, are subject to a duty of 25 per cent. of that value.

The following articles are still exempt from Custom duties:—1. Newspapers and periodicals already exempt from duty; 2. Photographs and printed papers, other than Books, received in the United States in such small quantities as to suggest that they are intended for personal use and not for sale.

Books and Periodicals addressed to the Republic of Colombia are liable to Customs duties unless intended for the personal use of the addressees.

The rates of postage, which must be prepaid, on packets to places abroad are given in the Table of Foreign and Colonial Postage.

FOREIGN AND COLONIAL PATTERNS AND SAMPLES.

There is a Pattern and Sample Post to Foreign Countries and the Colonies generally; but it is restricted to *bonâ fide trade patterns or samples of merchandise*. Goods sent for sale, or in execution of an order (however small the quantity may be), or any articles sent by one private individual to another which are not actually patterns or samples, can only be forwarded as letters.

No article liable to Custom Duties can be sent as a sample or pattern.

The rates for Patterns are the same as for Books, except that the lowest charge is 1d for a packet addressed to any of the countries to which the postage is $\frac{1}{2}$ d per 2 oz. for Books. (See List of Postal Union Countries.)

Patterns or Samples, when practicable, must be sent in covers open at the ends, and in such a manner as to be easy of examination. But samples of seeds, drugs, and such like, may be posted enclosed in boxes or bags fastened in such a manner that they may be readily opened.

There must be no writing or printing upon or in any Sample Packet for non-Union countries, except the address of the person for whom it is intended, the address of the sender, a trade mark or number, the price of the articles, the weight or size, and the quantity to be disposed of, or such as may be necessary to indicate the place of origin or the nature of the merchandise.

Samples of saleable value must not be sent to any foreign country, or to any of the British possessions which are comprised in the Postal Union.

Liquids, Glass, Explosives and Colouring Powders, are absolutely prohibited. A Packet of Patterns or Samples sent to any place in the Postal Union (except Belgium, France, Greece, Italy, Japan, Luxemburg, Portugal, Switzerland *via* France, Argentine Republic, and United States) must not exceed 8 inches in length, 4 in width, or 2 in depth. The limit to Belgium, France, Greece, Italy, Japan, Luxemburg, Portugal, Switzerland *via* France, Argentine Republic, United States, is 1 foot in length, 8 inches in width, and 4 inches in depth. The size of a packet for a non-Union country or colony is limited to 2 feet in length and 1 foot in width or depth.

FOREIGN AND COLONIAL POST CARDS.

Post Cards for abroad with impressed stamps of 1d, 1½d, and 2d each are sold at those rates, and are transmissible to all the countries of the Postal Union without extra charge. Reply Post Cards, prices 2d, 3d, and 4d each.

Single Cards (but single cards *only*) are transmissible to Australia, Fiji, and New Zealand, the postage *via* Italy being 3d and by sea route 2d.

Inland Post Cards are also transmissible if the additional postage required is supplied by postage stamps being affixed.

The regulations relating to Inland Post Cards apply also to Cards posted from places abroad, except that the latter, when these regulations are infringed, are not forwarded.

MONEY ORDERS.

When applying for Money Orders, the public should use the printed "Application Forms," which are supplied gratuitously at all Money Order Offices.

The commission on Inland Money Orders is:—

For sums not exceeding £1,	-	-	-	-	2d.
„ above £1 and not exceeding £2,	-	-	-	-	3d.
„ „ £2 „ „ £4,	-	-	-	-	4d.
„ „ £4 „ „ £7,	-	-	-	-	5d.
„ „ £7 „ „ £10,	-	-	-	-	6d.

No order may contain a fractional part of a penny.

The applicant must furnish, in full, the surname and at least the initial of one Christian name, both of the remitter and the payee, together with the remitter's address. In the case of Foreign Orders the full address of the payee must be given; and if the Order be payable to a native in British India, the Tribe or Caste, and the Father's name must also be furnished.

Exceptions.—1st. The remitter of an Inland Order may direct at the time of issue, that the Order be crossed like a cheque thus, & Co., and thus be

payable only through a Bank. In that case he may give or withhold the name of the payee. The designation of the Bank need not be furnished.

2d. If the remitter or payee be a peer or a bishop, his ordinary title is sufficient.

3d. The usual designation of a firm is sufficient, except when a company trades under a title which does not consist of the names of the persons composing it, as the "Carron Company," but even a designation of this nature may be accepted provided the Order be crossed for presentation through a Bank.

The remitter may make his order payable ten days after date, provided that, when he obtains the order, he affix thereto, in the presence of the Postmaster, in the space after the request C., a penny adhesive stamp, and write his signature across the stamp.

To guard against fraud the remitter is recommended,—

1st. When he is well known to the payee, to sign the letter enclosing the Order with his initials only.

2nd. When this is not the case, either to make the Order payable ten days after date, or to register the letter enclosing it, or to make the Order payable through a bank by crossing it like an ordinary cheque.

3d. When it is not considered expedient to adopt either of these courses, to send the remitter's name (without a knowledge of which payment cannot be obtained) in a separate letter from that containing the Money Order; although this latter precaution is much less effective than either of the others.

Money may be transmitted by Telegraph Money Order in the United Kingdom. The commission is double the rate of an ordinary money order, and, in addition to the commission, a charge is made at the ordinary inland rate for the Official Telegram authorizing payment at the Office of Payment and for the repetition thereof, the minimum being 9d. Any telegraphic communication which the remitter may wish to despatch to the payee must be paid for at the ordinary inland rate, the minimum being 6d.

Any person expecting a remittance by Telegraph must furnish satisfactory evidence that he himself is the person entitled to receive the money. He, or someone on his behalf, must attend at the office to obtain payment.

Money Orders are issued in the United Kingdom on the following Foreign countries, British Colonies, &c., at the rates of commission shown below:—

FOREIGN COUNTRIES.—Austria, Belgium, Bulgaria, Chili, Denmark (with Farø Islands), Danish West Indies, Dutch East Indies, Egypt, France (with Algeria), German Empire, Hawaii (Sandwich Islands), Holland, Hungary, Iceland, Italy (with offices on the Red Sea and in Tunis), Japan, North Borneo (Sandakan), Norway, Orange Free State, Portugal (including Madeira and the Azores), Roumania, Sarawak, Sweden, Switzerland, Tunis, United States.

POSTAL ORDERS.

Postal Orders, for certain fixed sums from 1s up to £1, are now issued and paid at all Money Order Offices in the United Kingdom, and at Malta, Gibraltar, and Constantinople.

The following are the amounts for which Postal Orders are issued, together with the Poundage payable in respect of each Order:—

Amount of Order.	Poundage.	Amount of Order.	Poundage.

Broken amounts may be made up by the use of postage stamps not exceeding fivepence in value affixed on the *face* of any one Postal Order.

The person to whom a Postal Order is issued must, before parting with it, fill in the name of the person to whom the amount is to be paid, and may fill in the name of the Money Order Office at which the amount is to be paid. The person so named must, before payment can be made, sign the receipt at the foot of the Order, and must also fill in the name of the Money Order Office, if that has not been already done.

Every person to whom a Postal Order is issued should keep a record of the number, date, and name of office of issue to facilitate enquiry if the order should be lost

If a Postal Order be crossed “_____ & Co.” payment will only be made through a Banker, and if the name of a Banker is added, payment will only be made through that Banker.

POST OFFICE SAVINGS BANK.

Deposits of one shilling, or of any number of shillings, or of pounds and shillings, may be made by any person at the Post Office Savings Banks, provided that such depositor shall not make deposits amounting to more than £30 in any one year ending 31st December, or make any further deposit when the total amount standing to his credit has reached £150 exclusive of interest.

Any person desirous of saving one shilling by means of penny contributions, for deposit in the Post Office Savings Bank, may do so by purchasing with every penny so saved a penny Stamp, and affixing it to a form to be obtained at any Post Office. Instructions as to this form are printed thereon.

GOVERNMENT INSURANCES AND ANNUITIES.

Under the Government Annuities Act, 1882, Insurances may be effected for amounts not less than £5 and not more than £100 on one life; and Annuities may be purchased for amounts not less than £1 and not more than £100 on one life. Forms of proposals may be obtained at the Post Office.

POST OFFICE TELEGRAPHS.—INLAND TELEGRAMS.

The charge for telegrams throughout the United Kingdom is 6d for the first 12 words, and $\frac{1}{2}$ d for every additional word. Addresses are charged for. The public are required to affix the stamps to the message forms just as they are required to affix stamps to letters.

The telegram forms are of two kinds, the "A 1" form, embossed with a stamp, and the "A" form (given gratis), with no stamp. The "A 1 forms" may be purchased singly. They may also be had in books of 20, interleaved, and with a sheet of carbonic paper, price 10s 2d each book.

When the terminal office, *i.e.*, the office situated nearest to the address, is a Head Post Office, the amount paid for transmission covers the cost of delivery within one mile or within the town postal delivery of that office when the delivery extends for more than a mile. But when it is not a Head Post Office, the message is delivered free within the limit of one mile only.

When the addressee resides beyond the free delivery, portorage is charged at the rate of 6d per mile or part of a mile, provided the whole distance does not exceed three miles; but the charge is calculated from the boundary of the district within which no portorage is levied.

If the addressee resides at a greater distance than three miles from the terminal office, portorage is charged, for delivery by mounted messenger, at the rate of 1s per mile (except in Ireland, where the charge usually is only 8d per mile), the distance being reckoned from the office door.

No combination of words is counted as one, with the exception of those which are ordinarily written as one, or coupled by hyphens, as "mother-in-law," "non-delivery," "almshouses," "forty-seven." Certain exceptional names, such as O'Neil, MacDonald, De la Rue, are charged for as single words. So, too, are names with the prefix "St," as St Pancras; but double names of persons, like Smith-Payne, are counted as two words.

Abbreviations of words, "can't," "won't," "don't," are counted as single words, but there is a great risk of error.

Figures are counted at the rate of five figures to a word. Fractions are counted according to the number of figures employed, one figure being added for the mark of division. In groups of figures a stop is counted as a figure. The symbols o/o, a/c, b/l, and c/o are each counted as one word.

Anyone may have an abbreviated address, or special instructions as to hours of delivery of telegrams, registered at the chief office of the town in which he resides, on payment of a guinea a year, dating from the day of registration.

The cost of a reply, not exceeding forty-eight words, may be prepaid, and a reply form will then be delivered to the addressee, who will be at liberty to send his reply, from any telegraph office, at any time within two months. If the form be not used, it may, within the same period, be sent to the Secretary, General Post Office, and the value of it will be refunded. A reply form need not necessarily be used for a reply, but may be used to prepay any message.

FOREIGN TELEGRAMS.

Foreign telegrams are divided into three classes,—ordinary, code, and cypher. Ordinary telegrams are those composed of a series of words or of words, figures, and letters conveying an intelligible meaning.

Code telegrams are those composed of words, the context of which has no intelligible meaning. Proper names are not allowed in the text of code telegrams, except in their natural sense. Words of more than ten letters are not allowed. In Code telegrams only English, French, German, Italian, Spanish, Portuguese, Dutch, and Latin, may be employed, but words of any or all of these languages will be allowed in the telegram.

Cypher telegrams are those containing series or groups of figures or letters having a secret meaning; or words not to be found in a standard dictionary of the language. The portion in cypher must be composed exclusively of figures or exclusively of letters.

Cypher telegrams written in letters are only accepted for places in Europe or North America.

The address of the receiver must be paid for, and must not consist of less than two words, a name and a town. Example: Hercules, Bombay.

The address of the sender is charged for, if transmitted; in any case it must be written at the foot of the form.

In ordinary European telegrams the length allowed for a word is 15 letters, in extra-European telegrams 10 letters; any additional letters being charged for at the rate of 15 or 10 letters respectively to the word.

Subject to the limit as to number of letters, ordinary compound words and names of persons and places, &c., written without break or interruption, are counted as single words. If joined by a hyphen, or separated by an apostrophe, they are counted as so many separate words.

Compound numbers written in words and without break are also counted as single words subject to the same limit as to the number of letters. The name of the office and of the country of destination in the addresses of telegrams are charged for as one word each when so written by the sender, whatever their length.

Words incorrectly spelled, so as to reduce the number of letters below the maximum, or words incorrectly joined together, contrary to the usage of the language, are treated as cypher.

Every separate letter or figure is charged for as one word, and in European telegrams every group of five figures or letters is counted as one word, larger groups being counted at the rate of five figures or letters to a word, plus one word for any excess. In extra-European telegrams groups of figures (or letters when used as trade marks) are counted at the rate of three to a word, plus one word for any excess. Bars of division, decimal points, and stops used in the formation of numbers are counted as figures. Letters added to figures to form ordinal numbers are counted as figures.

DUNDEE DENTAL INSTITUTE (Regd.). ESTABLISHED 1842.
THE LARGEST DENTAL PRACTICE IN SCOTLAND.

"A Set of Teeth by Dr Stewart Lasts a Lifetime."

Special attention devoted to the Painless Extraction of Decayed Teeth by the aid of Nitrous Oxide Gas and other harmless Anesthetics.

Stopping, where any hope remains of permanently preserving a tooth, carefully and satisfactorily accomplished.

Country Patients will find at Dr STEWART'S Establishment better facilities than can be had elsewhere for the prompt insertion of Artificial Teeth.
 By calling early in the day they may be accurately fitted with the Best Artificial Teeth in time to return same afternoon.

THE attention of Patients is respectfully drawn to the special advantages contained in this now well-known Establishment for the insertion of Artificial Teeth and every Branch of Dental Surgery. Dr STEWART'S immense resources enable him to insert his Famed Artificial Teeth in the most satisfactory manner on the same day the Patient makes his or her first visit, so that the harassing delays common to smaller practices are entirely obviated.

Dr STEWART has been the first to Solve the Problem of High-Class Workmanship and Materials and Low Prices, and he has to thank his immense number of Patients for enabling him to continue to supply Work at the hitherto Unheard-of Quotations which follow:—

A SET OF ARTIFICIAL TEETH, ONE GUINEA; SINGLE TOOTH, 2s 6d.

Repairs and Remodels at Equally Low Rates.

It should be understood that Dr STEWART'S object is not to compete with cheap and inferior Dentists, but to supply Work-People and Persons of Limited Means with First-class and Perfectly-Fitting Teeth at a fair and moderate charge.

AMONGST the many advantages possessed by this ROLLER over the Ordinary Spinning Roller may be cited the following:—

The Roller is End Grain instead of Side Grain, requiring less pressure, and wearing from 8 to 10 times longer than the Ordinary Roller now in use.

This Roller is always ready for work, thus doing away with seasoning and storage, and the risk of Breakage.

T H E

DUNDEE BURIAL SOCIETY

WAS established on the 20th March 1862, for the purpose of enabling working people, by means of small weekly payments, to insure sums at death according to age. It is the only Society of its kind having its headquarters in Dundee. It is managed by working-men in their spare hours. A meeting of qualified members is held in Dundee every year, where all the year's transactions are gone over and reports read as to the prosperity of the Society, both numerically and financially. At these meetings the office-bearers are elected, and any qualified member can be proposed for the vacant offices.

During the time the Society has been in existence the membership has gone up from a mere handful until it now numbers nearly 11,000; and while it was in debt the first year of its operations, there were, at the end of 1888, invested funds in Dundee to the amount of £9000 sterling. Facts like these speak for themselves; and working people belonging to, or residing in, Dundee, before joining societies with their headquarters outside the town, should make enquiries regarding the Dundee Burial Society, and see if it would not be to their interest to join a society carried on in their midst. Another feature may be mentioned: Bonuses have been paid in cash to members who had been a certain period in the Society—one Bonus amounting to £600 sterling, and the other to £1800 sterling. The Society was valued, by Mr Miln, Accountant, up to and including the 31st December 1888, and after meeting all liabilities a surplus of £2,423 2s 6d was declared—the 1888 Bonus Fund—which has been paid during 1889 at the rate of 1s 0½d per pound on member's policies. Cash Bonuses are expected to be paid to members every five years.

Parties wishing to join can do so by applying at the Office—No. 2 BAIN SQUARE, DUNDEE, any lawful evening, between the hours of 7 and 8 (Saturday excepted), or by applying to any of the Collectors whose names and addresses are given on the opposite page, when all information will be given.

THE attention of *Young Men* is specially asked to the Investment Scheme, whereby a person aged 24 next birthday, for an Annual Premium of Three Guineas, can secure £100 and a share in the Profits of the Company's business, to his heirs, in the event of death, or if he live to the age of 55, the £100, together with the Bonuses which shall have been added, are payable to himself.
